

## Final trading session on 30 December 2026

The final trading session in the Regulated Market of Frankfurt Stock Exchange (FWB) and in the Open Market of Deutsche Börse AG at FWB will take place on **Wednesday, 30 December 2026**. The following trading and service times apply to this trading day. All times are stated in Central European Time (CET).

### 1. Market Deutsche Börse Frankfurt (electronic trading system T7 - MIC: XFRA)

|                       |                              |
|-----------------------|------------------------------|
| from 7.00 a.m.        | Start of pre-trading         |
| from 8.00 a.m.        | Continuous auctions          |
| <b>from 2.00 p.m.</b> | <b>Start of post-trading</b> |
| <b>from 3.00 p.m.</b> | <b>End of post-trading</b>   |

The start and end times of post-trading deviate from those on a regular trading day. The start of end-of-day processing of the electronic trading system T7 for the Deutsche Börse Frankfurt market remains unchanged. Reports will be distributed following end-of-day processing.

### 2. Market Deutsche Börse Xetra (electronic trading system T7 - MIC: XETR)

|                       |                             |
|-----------------------|-----------------------------|
| from 7.00 a.m.        | Start of pre-trading        |
| from 8.00 a.m.        | Start of retail early       |
| from 8.55 a.m.        | Opening auction call        |
| from 1.00 p.m.        | Intraday auction call       |
| <b>from 2.00 p.m.</b> | <b>Closing auction call</b> |
| <b>from 3.00 p.m.</b> | <b>End of post-trading</b>  |

**Price determination in the closing auction will take place no earlier than 2.05 p.m. For DAX®, MDAX® and SDAX® instruments, the subsequent Trade-at-Close period will end at 2.10 p.m.** The start of end-of-day processing of the electronic trading system T7 for the Deutsche Börse Xetra market remains unchanged. Reports will be distributed following end-of-day processing.
